SFX: Whoosh.
Re-sorted to criminal acts...

SFX: Fall.

Pervert!
Loli-con!

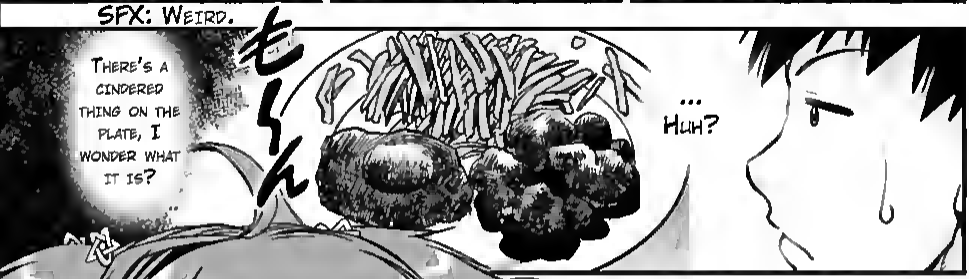
If you've got astigmatism, I'm really willing to cure it for you.*
The third, why?
That's not what I mean.
Explain, old man.
What number is this!?

*The ordinal suffix used in Japanese is the same kanji and pronunciation as the kanji for "bye." So when he asked, "What number is this!?", the sentence in Japanese had the word "bye" in it.

SFX: Grab.
Listen up, young man.
Subaru's personality is configured as a "little sister type."
"Little-sister type."
What a sweet sound.
A "little sister type" is an attribute that mankind of the world greatly desires!
Not to mention instead of being an actual "little sister," she's a childhood friend-
I can't tell you how much I would like this.
It's as you say, doctor.

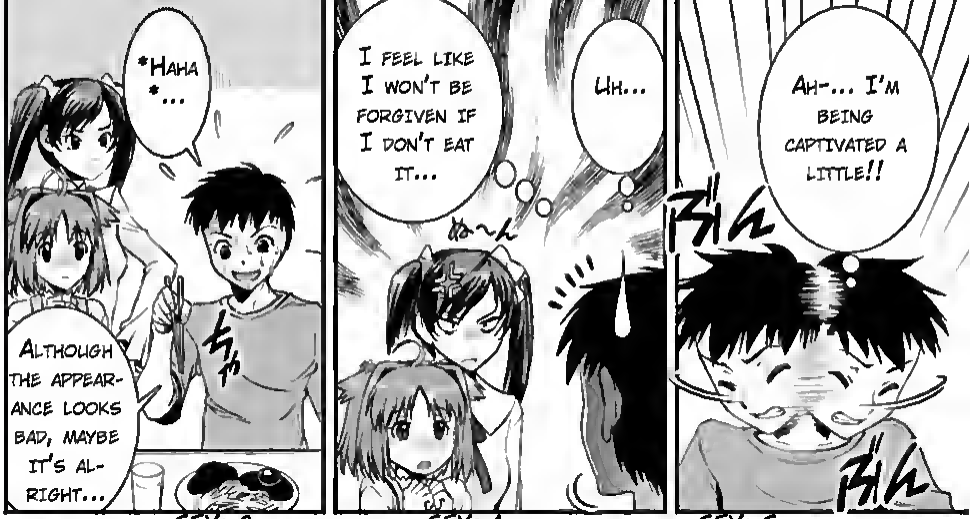
Hey! The conversation is heading in a strange direction, old man.
How stimulating... *Haa* *haa*...
Haa
Haa
A young girl childhood friend that calls you "Oniichan"...
SFX: Pant.

I tried... making breakfast but...
Um... Oniichan ...
SFX: Clink.
That's not it.
...You'll be deliciously eaten, huh.
You'll just be filleted in three, right?
To begin with, if there are just the two of them, then they fight over you, but if there are three...



SFX: Weird.
There's a cindered thing on the plate, I wonder what it is?
もくん
... Huh?

I'm sorry, Oniichan.
I tried my best but...
I failed.
SFX: Tear build up.
じわ
Uh...

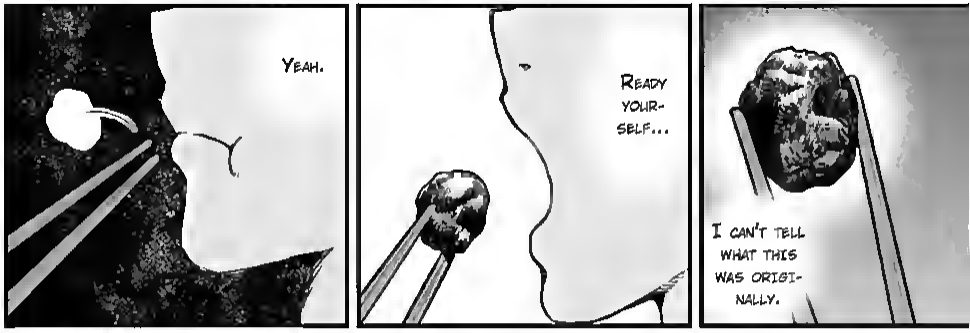


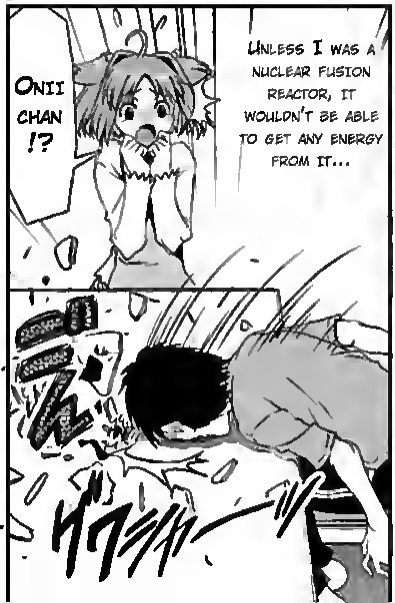
Haha...
Although the appearance looks bad, maybe it's alright...
I feel like I won't be forgiven if I don't eat it...
Uh...
Ah-... I'm being captivated a little!!

SFX: Click.

SFX: Anger.

SFX: Shake.





SFX: Whack.

SFX: Smash.

An intense contrast of a strong bitter taste and a harsh taste.

Just the relentless taste of charcoal.
It has a very uneasy taste to it.

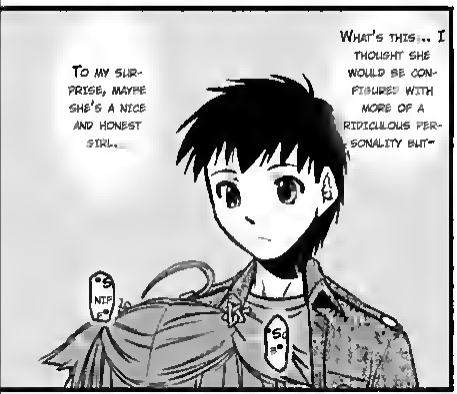
Oh well, I'll go buy something at the convenience store...
I missed out on eating breakfast after all.

SFX: Open.

Because of me, breakfast...
Sorry oniichan.

I'm sorry.



What's this... I thought she would be confessing with more of a ridiculous personality but-
To my surprise, maybe she's a nice and honest girl...

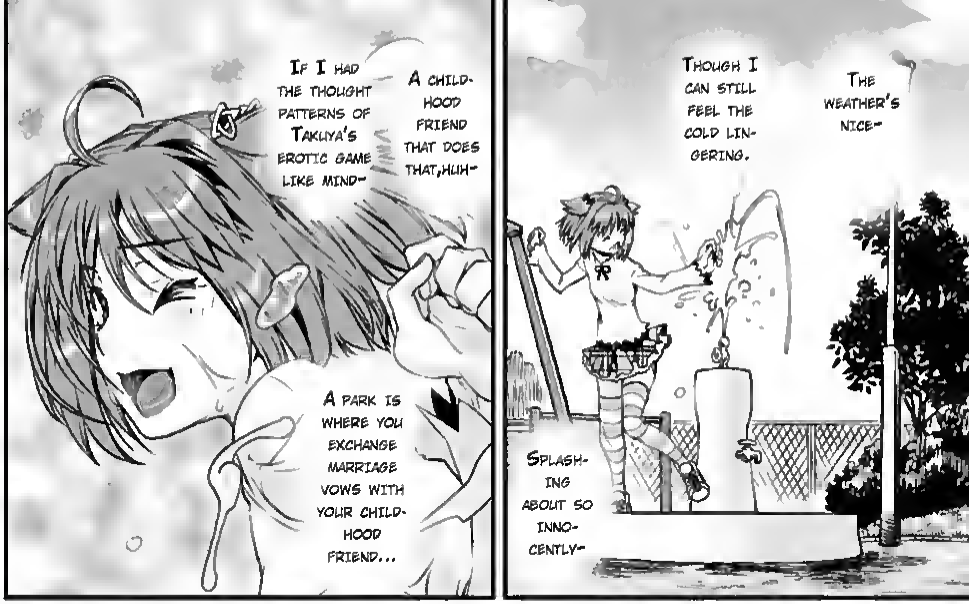
SFX: Smile.
Guy friends go to the bathroom together, right!
Didn't we used to do it a lot in the past.
SFX: Pull.
?
We did not! Such an envi... indecent act!
Rather, although it's fabricated, You're going too far with the dirty jokes, Raizou!
Iwahara Iwahara
Huh-!
Huh?
What are you doing-! Little girl-!!
SFX: Flow.

SFX: Whoosh.
Uu~ Doing indecent things again huh~!!
If so.
SFX: Knock knock.
Hey, Hiroki!?
What was shout just now!?
Ha--!!
SFX: Impact.
Was it my imagination...?
SFX: Fall.
ズン
Huh? No one's here...

But it's better than getting beaten.
Thank you-
It's been how many years since I escaped through the window?
Sign: Convenience store.
SFX: Light footsteps.
Huh~?
...Why are you coming with me?
Because it seems like fun things will happen!
Climbing out the window and such~
I see...
By going to the park-
I can eat breakfast by myself..
I got some food.
SFX: Rustle.
SFX: Chomp.
It's like I'm a middle-aged guy who's been downsized. -Ugh.
...But.
Ha ha... Eating a rice ball by myself in the park early in the morning...



If I had the thought patterns of Takuya's erotic game like mind-
A childhood friend that does that,huh-
A park is where you exchange marriage vows with your childhood friend...
Though I can still feel the cold lingering.
The weather's nice-
Splashing about so innocently-

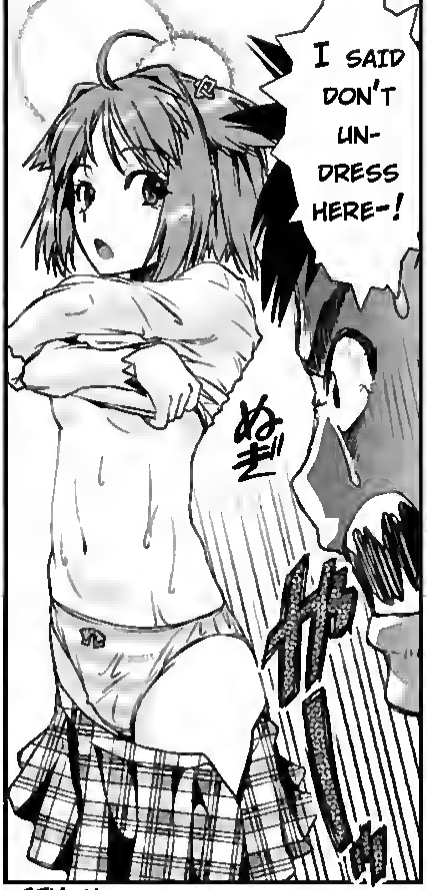
Hey- Don't you think your kidding around too much...

Hey~ Come play with me too.
Aha-haha-
Xコリ
Xコリ
Ahhh-! She's a little girl! She's a little girl!!

Am I lucky? That I was not to have a childhood friend like that...
ぱしゃ
SFX: Crunch.
SFX: Splash.

.....

N-n-n-no bra-
Nwaa-!?
S-she's a little girl! She's a little girl!!
There's various forbidden parts showing through... Tsurujaki Scope!?
I'm feel nothing. Not at all.
No one's here?
Huh?
Change your clothes!
Uwaaaa!
Ahn-Onichan?

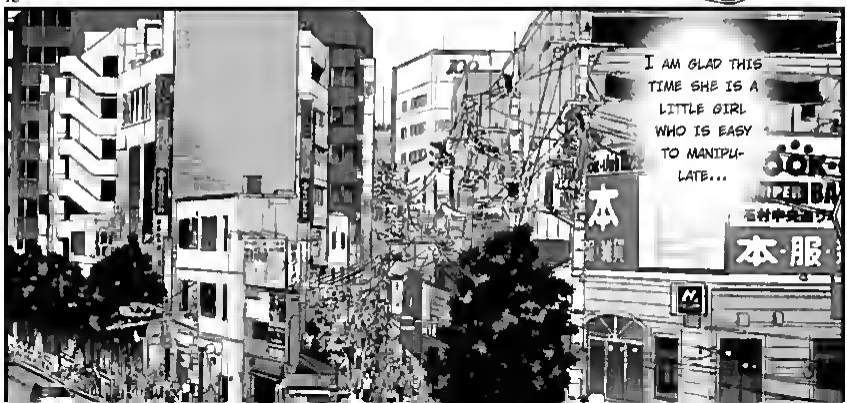


SFX: Undress. SFX: Scream.

What?
At least supply her with clothes Youko-san!
On the other hand, she just can't freely grab Hinata's and Mizu-nee's clothes either...

There's a lot of excess-
Oniichan's shirt is big-
Whhaaa'ts !?
T- thisss!
She's tempting.
Though she's a little girl, she's tempting...
Wearing a dress shirt-
With no underwear-!!
She's naked!!
コッチ
The clothes are dry and temptation time is over but...
SFX: Tick tock.
Even though it's past noon, no one has come back.
コッチ
...Hhey!?
What are you doing!
Huh?
SFX: Trot.
When someone comes back, I was thinking of trying make them take her shopping for clothes...
Naturally for a bra too.

SFX: Smile.
SFX: Shine.
Moreover ...
No! It's the breakfast nightmare again!
Wait in anticipation, Oniichan!
Since it's noon, I'm making lunch~
This time I'll make it good!
This time for sure, Hinata or someone will come back.
And when she sees that scene...!
She'll fail and when she gets her clothes dirty, it's temptation again!
And...
What !?
Really !?
Hooray!! A date with Oniichan -!!
Hey- How about we go out to eat for lunch?
This time for sure, I'll die!



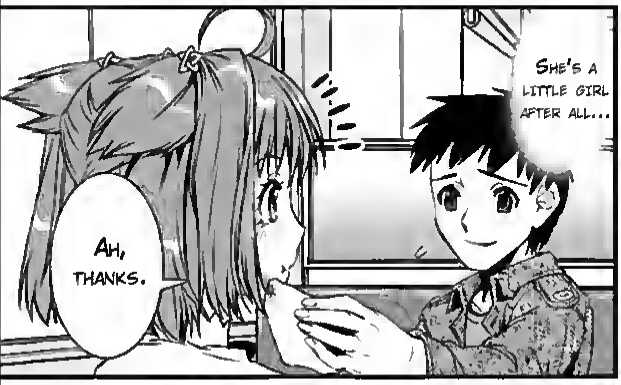
I am glad this time she is a little girl who is easy to manipulate...

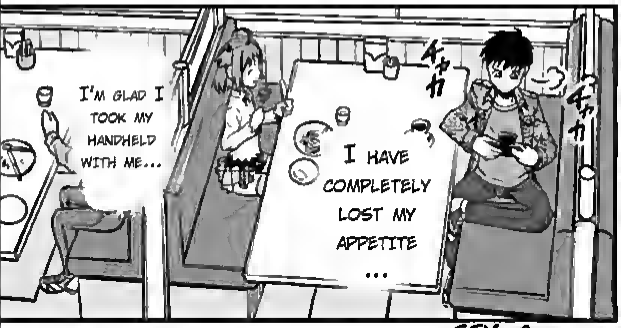
Money is not a problem because I'll bill the old man or Youko-san later.
Things like a suitable shirt, skirt, and jacket...
For the time being, I'll buy her a change of clothes.
The biggest hurdle...
Sigh... I managed to get through buying them.

Oniicha~n!
For a man to enter a sanctuary where only women are permitted"
Is criminal rather than immoral...
Beside the fact that it's tempting ...
Oh!
N... no..

What do you think of this bra-? Oniichan.
Look look -What do you think of this pair of underwear-?
No! I hav. never been through such torture!! My hands are clean!
I did not-! Such an enjoya...
I'm finally at the age where I can wear bras-
My sisters used to say- Oniichan would chose a bra for them...
Gwha a!?
It doesn't cover the butt~ There's a hole~
A fabrication!
A fabrication!
I think they're see-though~
What do I think-

SFX: Screech. SFX: Dash.



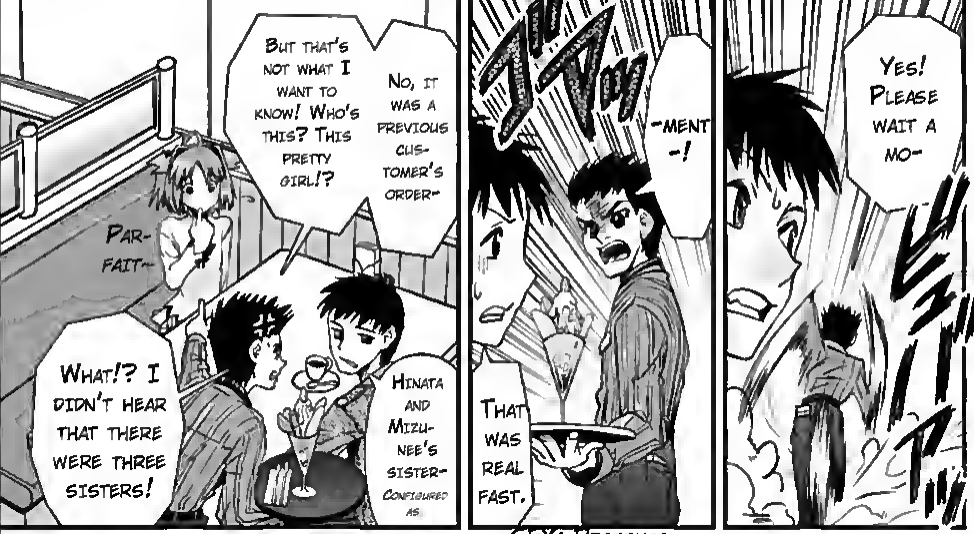


SFX: Click.

SFX: Munch.

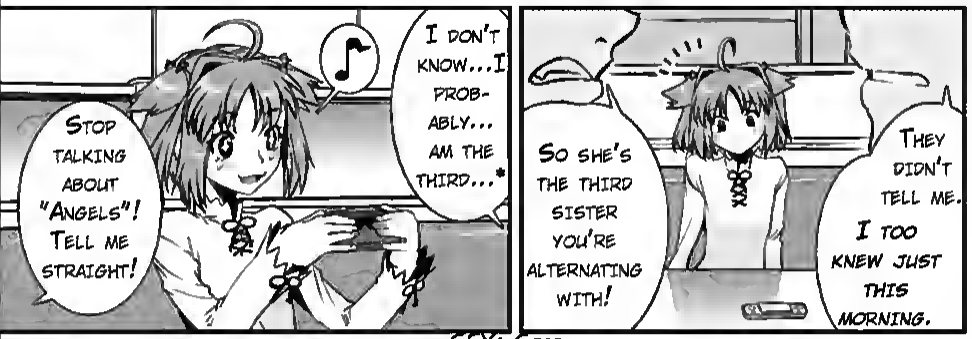
He-llo, sorry to keep you...
Nuah h!?
A setting of "liking sweet foods," for a girl, is very normal.
Well, it's of a girl's nature.
Shall I call an employee over...
Is it alright... if I eat dessert?
Nn? Yeah.
MENU

SFX: Ding dong.



Parfait--
But that's not what I want to know! Who's this? This pretty girl!?
No, it was a previous customer's order-
What!? I didn't hear that there were three sisters!
Hinata and Mizunee's sister- Confirmed as
-ment -!
That was real fast.
Yes! Please wait a mo-
SFX: Zoom.

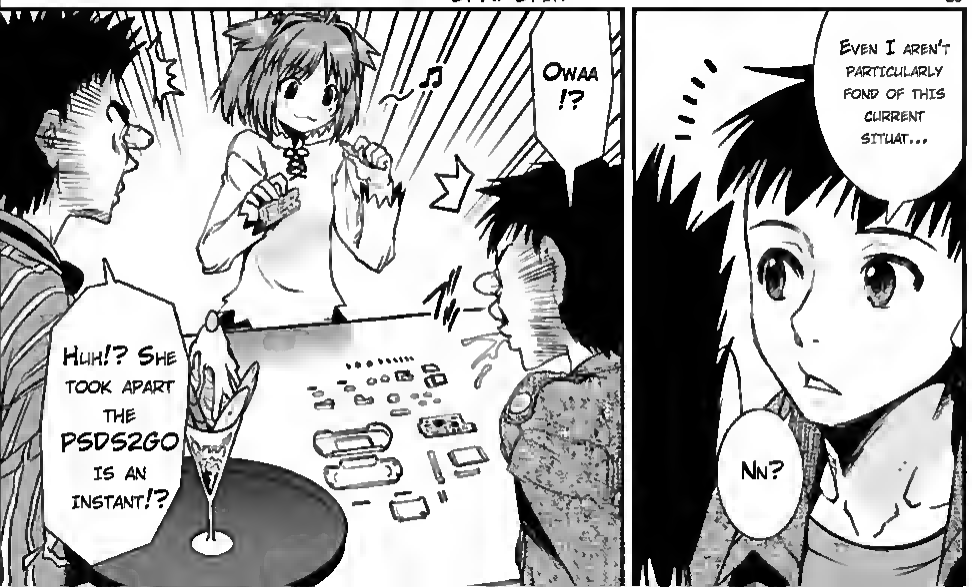
SFX: Presence.

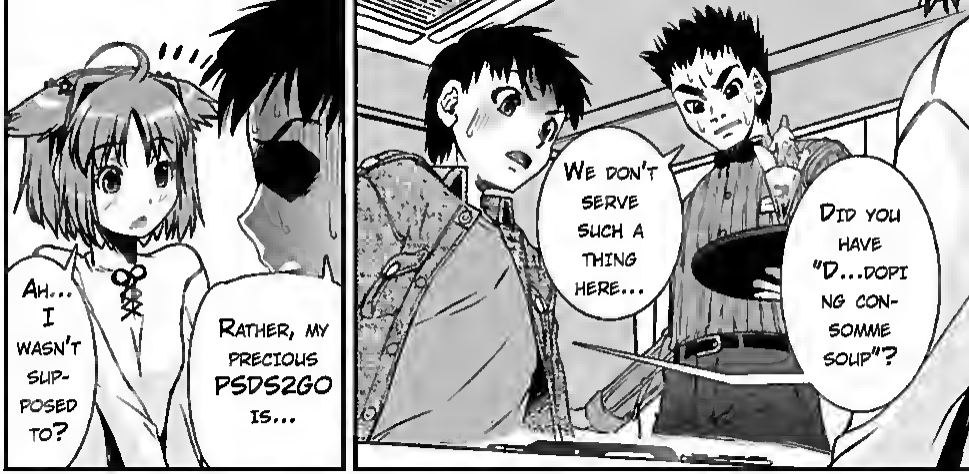


Stop talking about "Angels"! Tell me straight!
I don't know...I probably... am the third...*
So she's the third sister you're alternating with!
They didn't tell me.
I too knew just this morning.

*Rei Ayanami quote from Evangelion.

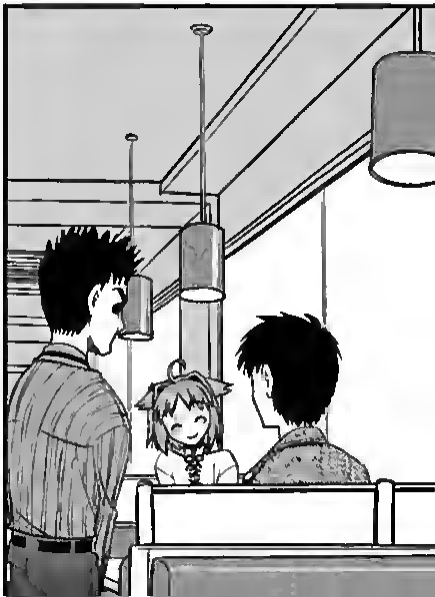
SFX: Spit.





SFX: Clack clack.

SFX: Hit.



Nn...

SFX: Fall.
Huh, sorry.
SFX: Stick.

No matter how many cups of black tea with plenty of honey I were to drink...
SFX: Knock knock.
Even if there was an avalanche, I wouldn't be able to move...
Ye-ah.
SFX: Open.
Onii chan...
The clothes you bought me...
I put them on...
What do you think?

More than I thought this is...

Before dinner, get in the bath-
SFX: Open.

Ah, I was showing him my under-wear-
No way...
You never learn ...
Hiro-chan, you're interested in under-wear?
If you just tell me...

SFX: Undress.
SFX: Bounce.

SFX: Single hit.

Unbe-liev-able-
There's breasts in my face and on my back!?
Bre--asts!?
I'm in between them-
Am I supposed to be-?
Something is strad-dling my knee.
Strad-dling.
Rather, my nose and mouth are blocked...
No, first of all, she has com-pletely got me in her choke-hold.
My arteries-
There isn't enough blood.
Blood...

With this-
Perfect, doctor.
To go this well so far, my talent is frightening.
SFX: Small laugh.
The three childhood friends character introduction plan is complete, right.
Aren't they really lively like that of young people.
Ha-ha-ha.
Yes, especially one part of them is very lively.
You-ko-kun, are you ready?
Yeah! Shall we put the next plan into action.
SFX: Turn.
Done the ground-work for several places. Finding places to acquire.
All is going well.
Yes.
Yeah! Nice!
I won't let you get bored.
Spring vacation is far from over, young man!
Ha-ha-ha.
Ha-ha-ha-- ha-ha.
